At NAI Mark S Bounds Realty Partners, we say that wherever our client's real estate needs may be, whether around the corner or around the world, we are already there. In fact, in the United States, NAI is in 190 cities in 47 states, covering 161 MSAs. That represents coverage of 50% more offices than our closest competitors. It is this kind of fact-based, statistical information that carries weight with prospective clients when trying to win their business. In Canada, NAI is ranked 2nd, with 11 offices in key cities. NAI also has a very strong presence in both Europe (32 offices) and the Asia Pacific region (13 offices). In Latin America, we have 28 offices in major cities vs. the next closest competitor, which has offices in 19 cities.

"We are able to go head to head with anyone. When it comes to global representation, we have the resources on the ground and the management system to assure consistently **superior** quality service," says Jeff Finn, NAI President & COO.
